If you had more than 3 employments in Ireland, please provide details on a separate sheet.

Items Required:

Legible/clear photocopy of

- Full P45 form(s) in respect of client's employment(s) in the current tax year. (P45 must include Part 4 showing PRSI contribution details)
- P60 form(s) from the previous tax year
- U2 form, if client has transferred their Jobseekers Benefit from Ireland

Note

- The more documents supplied by the client, the easier it is to issue the E104 and U1 Forms.
- Nevertheless in many cases the forms can only be issued following enquiries with client's former employers. These enquiries can take some weeks to complete. Unfortunately the resulting delays in supplying the E104 and U1 forms are beyond our control.
- If the client is claiming Jobseeker's Benefit or Allowance, the forms E104 and U1 cannot be issued until he or she has stopped claiming.

Applications **must** be posted to:

Explanation of forms

The U1 form is a certificate showing periods of social insurance for the purpose of claiming unemployment benefit in another country covered by EC Regulations. This form has replaced the E301 form.

The E104 form is a certificate showing periods of social insurance for the purpose of claiming sickness/maternity/invalidity benefit or bereavement/death grant in another country covered by EC Regulations.
